

First Sun EAP101

A live webinar for everyone in charge of promoting the employee assistance program.

AN EASY WAY TO LEARN

We review our exclusive features and services and discuss how to implement the program to fully impact your entire organization.

A TIME SAVER

There is no on-site visit needed and no need to leave your office. Sign up for a session at your convenience.

REACH YOUR GOALS

You can meet with an account manager to tailor your EAP benefit to target your organization's goals. We are happy to meet by phone or in person.

Having a flexible EAP, like First Sun, is an advantage for your employees and your organization. Teaming up with First Sun EAP is a win-win. You'll not only learn about our award-winning EAP program but how "We help people be better at work" with our behavioral risk management, organizational consultations and corporate and professional training programs.
