Domestic violence can happen to anyone.

Is your friend or co-worker struggling with abuse? Maybe you are in an abusive relationship? Or, what if you are the abusive partner? Women and men alike suffer silently from this issue of national concern.

Whether you are experiencing abuse, supporting an abused person or find yourself being abusive, a call to First Sun EAP can provide you with immediate, confidential resource information.

First Sun EAP services are made available to you and your family members by your employer. You may use the services whether or not you have chosen to participate in an employer health plan.

All counseling services are confidential in compliance with the law.
